PHP basics • Problem solving • Scala • SCSS • Ubuntu • Web Design • WordPress

Amazon Web Services Cloud Practitioner, Valid 9/2022 - 9/2025, Credential ID: ZH81K8F2YEF1QDSE

EXPERIENCE

Entrepreneur / Web developer, Bearint Oy

6/2021 - Present

Bearint Oy designs, creates, updates and maintains websites as well as offers IT support. I learned the necessary skills independently while I was in high school and the army. The company's website is at www.bearint.fi and its portfolio at www.bearint.fi/portfolio.htm.

Station employee, Jorvas Sorting Station (HSY)

5/2021 - 6/2021, 6/2022 - 8/2022

My duties included customer service, billing and other tasks related to maintaining a sorting station. I worked at the station for two summers.

Sole trade entrepreneur, Akso

1/2018 - 1/2020

Akso is a sole trade company I founded with my brother and the assistance of 4h, focusing on garden and yard work as well as holding a club at Kauniola's old people's home.

School's on-the-job learning, Kemira

9/2017 - 9/2017

I had the opportunity for on-the-job learning at Kemira, spending a day in several departments. I received positive feedback especially on my initiative.

Summer employee, Gardening store Reiman

6/2017 - 6/2017

I worked as a gardener's assistant in custom projects. I got the offer to continue in a summer job after my school's on-the-job learning.

EDUCATION

Aalto yliopisto - Graduate Engineer Student, Information Technology 9/2022 - Present (2027)
